

Need a rapid PCR test?

If you haven't had time to arrange a PCR test or your test results are delayed, don't worry, you can now get a Rapid PCR test at our Travel Testing Centre at Heathrow.

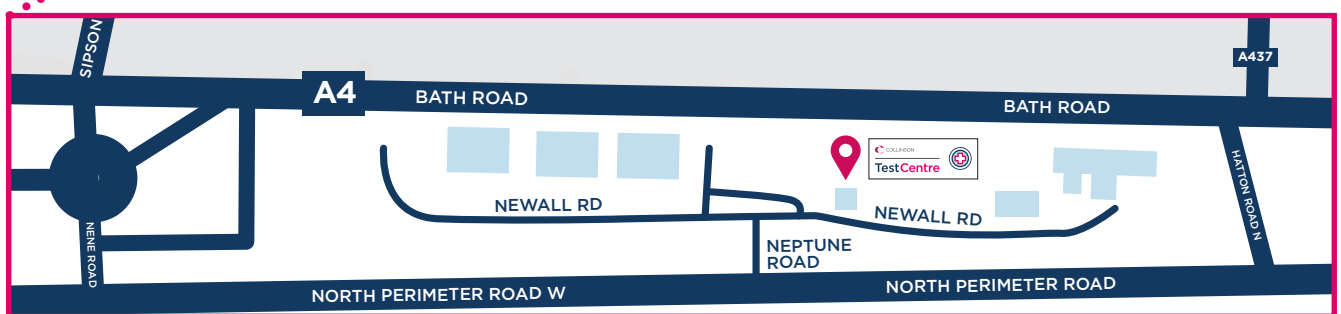

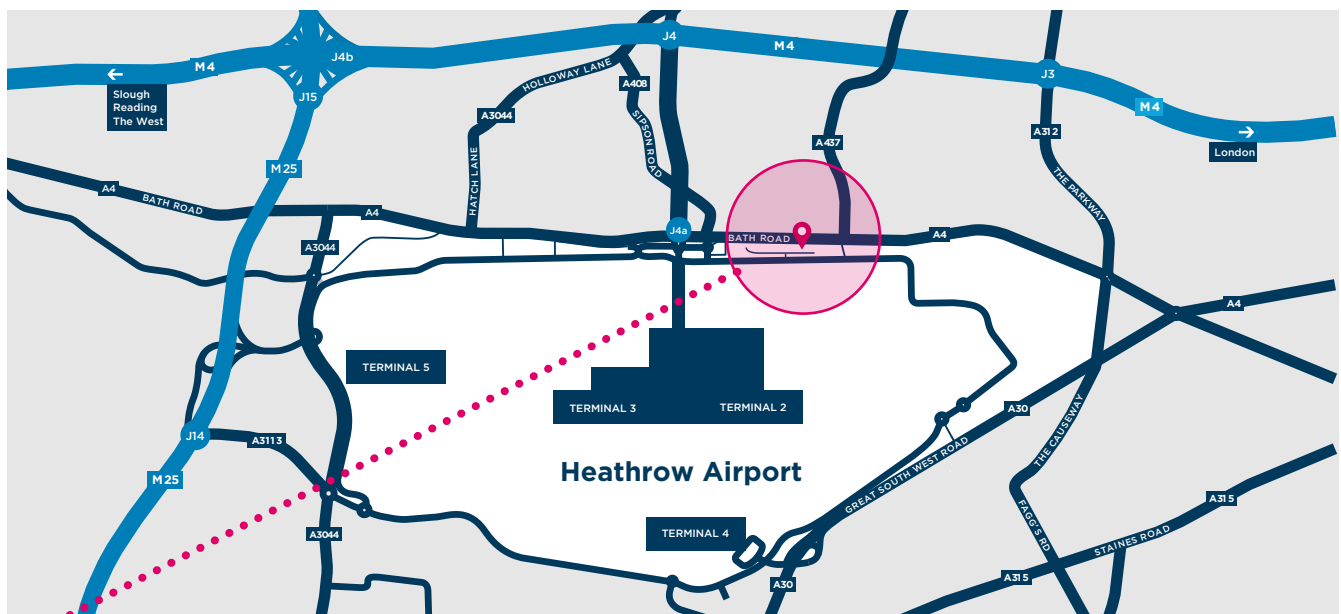

Our market leading Rapid PCR test provides you with results and a Fit to Fly certification and accreditation document in a typical time up to 3 hours.*

Please refrain from eating, drinking, smoking, vaping, chewing gum or using nasal spray 30 minutes before taking your test.
